

# **Product Overview 2022**

Sensors & Actuators

# **ACCESSORIES**

## **Accessories Sensors**

#### MA.Pa-06

Installation set for pressure sensors, incl. duct connectors, pressure hose and fixing screws for IY.Nc-P..., IY.Ex-P..., IR.Nc-P... und IR.Ex-P...

#### TH.VA-....

Thermowell, stainless steel, G ½', different lengths available

#### SC.Pu-01

M12 sensor cable, 5-wire, shielded, 1 meter

#### SC.Pu-05

M12 sensor cable, 5-wire, shielded, 5 meter

#### SC.Pu-10

M12 sensor cable, 5-wire, shielded, 10 meter

#### LK.Pa

Level sensor kit for pressure sensors

#### SR.Va-200

Pitot tube for measuring flow rate, l=200 mm

#### CS.Ms-M12

M12 connector set for on-site cables 5-wire, shielded, one set = 2 connectors

### **Calibration Service**

#### KA.Pi

Calibration of humidity, temperature, pressure sensors in our in-house calibration laboratory including factory certificate (on request)

Our general terms of trade can be downloaded on our website www.pi-safety.com
